Sayın Naz ERÜKÇÜ

As the mayor of Aydın Province Sultanhisar District, I would like to express my appreciation for your Youtube presentation about the Atça neighbourhood. Both the city council and I are grateful to you for doing an amazing job promoting the area's history, development, some of its artefacts and its train station. Because it is the first and only representation of our beautiful Atça in English on YouTube, it is very valuable and helpful for the neighbourhood.

We were pleased to watch our town through your video and to hear your comments about Atça. Your conscious and neutral approach to history and your presentation of several artefacts of Atça which serve as silent witnesses to its history impressed us greatly. I sincerely thank you for your efforts. We wish you success in your future academic and social endeavours.

Sincerely

Osman YILDIRIMKAYA  
Belediye Başkanı
